## Music to Their Ears: Tabor Adelaide Student Inspires the Young with his Passion for Learning and Music.

Rct Ivan Cooper, an Education student at Tabor Adelaide, got to combine vocation and passion recently, as he shared his love of music with the young students of Tabor Christian College.

“On Wednesday 21st of May I was fortunate enough to give a short presentation on music and the Royal Australian Navy at the college. It was a fantastic opportunity to see the students get excited about music and learning,” he shared. “The children were very eager to hear about the RAN and specifically the South Australian band detachment. All the students were keen to participate and answer questions too.”

Susanne Milne, a year 5/6 teacher at the school, agreed.

“The children and staff were thrilled to have Ivan Cooper come into our school assembly. Having Ivan dressed in full uniform immediately created interest. He quickly established a friendly rapport with the Primary school students with his questioning techniques and the children were eager to respond. He received an encore for his playing!”

For Ivan, the enthusiastic response only confirmed his calling to be an educator. “As a primary student teacher this has been one of the most rewarding experiences I have been involved in,” he said.

The Tabor Adelaide student obviously left a good impression, with the school indicating it would be delighted to have another visit from Rct Cooper. Congratulations Ivan on a job well done!

## Worship and Prayer Opportunities for All

The chapel is open and available for prayer, 9.00am-9.50am, Mon-Wed. Three people have committed to be there on various mornings, so that there is someone there on each day. All staff and students are invited to come and pray on any of these mornings.

This semester, worship is held on Thursdays in the chapel, 9.15am-9.45am. Worship is an essential part of our life together as a Christian institution. It is wonderful to come, as a community, to be reminded, together, of God's grace and to hear God's word. Don Owers says, 'There may be times when the worship style will not suit your taste...[however] exposure to different voices helps us appreciate the gifts

God has given to different folk and to discover the unity and diversity that characterises authentic Christian community'.

Our normal lunchtime prayer group will meet on Thursdays, 1-2pm, in Room 1 (the small room under the stairs).

At this prayer group, we pray through the needs of the College, communicated to us by staff.

We are a small group who would welcome any who would love to support Tabor needs in prayer.

Please don't hold back in rushing to as many as prayer opportunities as you can!

Student Support Officer

## Trial the Use of Second Life - and Win!

Are you creative? Do you enjoy using computers?? Would you like to learn how to make Machinima (animation) using Second Life (a virtual world) and gain national recognition for your creativity???

In April, Tabor Adelaide successfully applied for an Australian Flexible Learning Framework grant, enabling us to study and trial the use of Second Life in education. We'd love to have you involved and so are now offering this fantastic opportunity to all students. There will be prizes for the best Machinima (animations) made as well as the opportunity to attend the SA Innovations cocktail evening to showcase your work on 12th November.

You need to have access to a reasonably new computer and broadband internet access.
